ROTARY FOUNDATION

1995/2009 The Club participates in various programs of TRF from the beginning, living hospitality to GSE members, taking part in Matching Grants and lately in DSG, offering contributions to the Annual Fund, Permanent Fund and PolioPlus (EndPolioNow).

EXTRACT OF THE 2009/2011 ACTIVITY

Membership

objectives: conservation, increase and formation of members

(a) Conservation: reinforcement of friendship among members; involvement of the members in the club activity; continuous information on the club projects; interesting speakers to increase the attendance; cultural and eno-gastronomic visits/tours involving members, families and friends.

(b) Increase: recommendations and guide lines on the strategy to be adopted with families, friends, work colleagues, community persons, well qualified professional people; up to date of member classifications.

(c) Formation: tutoring activity for new members; continuing Rotary information at any level (Club, RI, TRF); participation to district events.

Public Relation

objectives: to provide the public community with information about the Rotary and to promote the club's activity

Reported the Rotary's principles and the club's activities outside the club with the intent to create interest of new potential members.

Administration

objectives: to manage the best administration of the club

Updating of the bylaws of the club; organization of the weekly meeting; promotion of the district events; performing the administrative duties *vis-a-vis* the district/RI/TRF; preparation of the club's bulletin; updating of the club's website and instruction on its use; preparation of the budget, monitoring the accounts and final balance sheet.

Service Projects

objectives: to develop and to implement educational, humanitarian and vocational projects that address the needs of the communities, at local and international level

(a) at local level: issued work's grants in favour of "Gli amici del CAM"; participation to the activities of the association "Cecità evitabile onlus"; voluntary service performed by some members in favour of "AEVAL onlus" (for elder people);

(b) at international level: computing assistance to the Kinshasa computer school (using a DSG on 2009/10); literacy and health in India (D3040) with the supply of school benches at Dewas College (MG 73789), toilets and clean water in different towns/villages (by cash); long distance adoption of 10 children in Uganda (by cash); twinning with RC Besançon.

Rotary Foundation

objectives: to support the Rotary Foundation through both financial contributions and program participation.

More information to the members about the TRF activities and how to use its programs and finance; participation to a DSG; contribution to the Annual (program) Fund and PolipPlus/EndPolioNow campaign.

The total club's contributions to TRF (from the beginning up to 2/11/11) amount to \$ 189.973,35.

New Generation

objectives: to help young people toward a better future, assisting them to develop their individual capacities

Set up the *Rotaract Club Milano Sforza* with the contribution of 8 boys/ girls, children of some our members, and the co-sponsoring of RC Milano Villoresi; operative activity and economic contribution to the "premio maturità" of Rotaract; organization of the XI summer camp in Milano; sponsored a candidate to RYLA; hospitality and economic contribution to a young foreign student during his long term exchange in Milano (on 2009-10); delivered two grants "premio Marinella" at two students neo degrees in physic.

From 8th May 2010, the club is twinned with the RC Besançon. A specific “Twinning subcommittee” took care of the relationship with the members/leaders of the RC Besançon, examining future projects to be done in synergy. A students exchange has been scheduled for the 2011-2012.

(U.E.L.)
